Dear Carl:

Enclosed is the 2014 Colorado Air Monitoring Network Plan, to satisfy the requirements of the Performance Partnership Agreement and the Code of Federal Regulations. This document follows the general requirements that are outlined in 40 CFR Part 58.10. This document was available for public comment for 30 days from May 23 through June 23, 2014. Comments were received from three parties: Denver Department of Environmental Health, Environmental Defense Fund and Denver Councilwoman Judy Montero. All comments were in relation to the location of the required second near-roadway nitrogen dioxide site in Denver. These comments and response letters are included in this final version dated July 1, 2014, which was also sent to you electronically on July 1, 2014.

Please let me know if you have any questions with the document.

Sincerely,

Gordon E. Pierce
